

MONITOR REQUEST FORM

The Burnsville-Minnesota Valley Figure Skating Club has adopted the following method of assigning monitors to ice sessions. If you would like to be a monitor, please read on. It's easy, and you earn a coupon for each session you monitor.

Monitors will be assigned by seniority based on one session per skater. If you would like to monitor, please submit your request with your contract to the contract chair by the contract due date. Please include all sessions you could monitor in order of your preference in case your first choices are taken. Sessions will be assigned one at a time based on seniority and number of skaters in the family and will continue through the list a second time and so on until all sessions have been assigned. You will be notified of the assignments given to you. Late requests will be considered after all on-time requests have been filled. Monitors must be adults and cannot monitor a session they are skating on without prior consent of the BMVFSC Board of Directors.

Because of safety issues concerning our skaters and spectators and because the duties of a monitor are to monitor and enforce appropriate and expected skating behavior on a session, no one will be allowed in the monitor's box (Policy 2.01, 2.03). By signing up to monitor, you agree to enforce this rule.

I would like to monitor a maximum of _____ sessions.

I would prefer the following sessions. **List all you could monitor.**

1. _____ 2. _____ 3. _____ 4. _____ 5. _____

Example:

1. Thur.4 2. Mon. 3 3. Fri. 2 4. _____ 5. _____

Skater's Name: _____

Parents' Name: _____

Phone: _____

For Contract Chair Information Only: Postmarked date _____
