We've got rhythm. We've got speed. Watch out we're Team Velocity!*

TEAM VELOCITY NEWS

Burnsville-Minnesota Valley Figure Skating Club Synchronized Skating Teams

Now is the time to join Synchro

Team Velocity announces tryouts on August 10th and skills/dance sessions this summer.

Dance the summer away. Spend the summer sharpening your synchro skills and get introduced to the world of ice dance. This summer BMVFSC will be offering U.S. Figure Skating ice dance lessons along with synchro skating skills. Spend your hot summer days learning cool stuff.

Those who contract will be able to test ice dance in August. Anyone contracting summer will represent Team Velocity at the Burnsville Fire Muster exhibition.

Put your abilities to the test at the "skills assessment" session on August 10 from 5:00 p.m. to 7:00 p.m.. If current team members cannot attend, they need to contact Coach Maas in advance. Next year's Team Velocity will be picked from these skills assessment sessions.

We will have a great time preparing for the next competition season. In our second year, Team Velocity has become competitive with all of the state's top lines, bringing home memories and trophies from every major competition entered.

Next year we will be competing in

St. Cloud, the Maplewood Classic at Marriuci Arena, Duluth, Braemar and others still being planned.

For more information, contact teamvelocity_bmvfsc@yahoo.com or call Bonnie McCallum at 651-454-8048 or Jahna Lindquist at 651-228-1779.

Synchro Rules

Our teams work together. Everyone is an equal part of our success. Success is measured in many ways. We make waves on the ice and hang together off the ice. Most of all we create great memories, gain valuable skills and enjoy a sense a unity that is unique to synchronized skating. We train together, travel together and skate together. Just ask our current skaters about the friends and memories that they share. Then join the fun and get in line.
